August Monthly Newsletter

Welcome to our August Newsletter. Well, we know it's hot but we have received so few updates this last month and we are feeling very sad not hearing from you! , So please send us some photos and updates, even if it is only you and your dog sitting in front of the fan! Keeping the dogs cool and occupied in this current climate has been very difficult and I hope you all have not experienced any ill affects because of it. Keep cool and I am sure we will be moaning about the torrential rain very soon. To follow us on our Facebook page please use this link www.facebook.com/LRRSE.

Please continue to help us help them.

We are amazed that our beautiful duo Nina and Timmy are still looking for a forever home. They are really enjoying their current foster home and are affectionate, happy dogs. Please keep telling all your doggie friends about them and help us find them their perfect forever home.

Bruno

Hi Louise
A couple of years ago I sent you the video of Bruno lying down in the river. Here's him tackling the "water snake ". He has a thing about some hosepipes (we don't have a ban here yet). We're convinced he thinks they're snakes.
Bruno was 9 last month, and he's now been with us for 6 1/2 years. As you can see, he's still quite lively and wants to be involved in everything, although we have noticed he's started to slow down a bit.
Regards Andrew

Milo

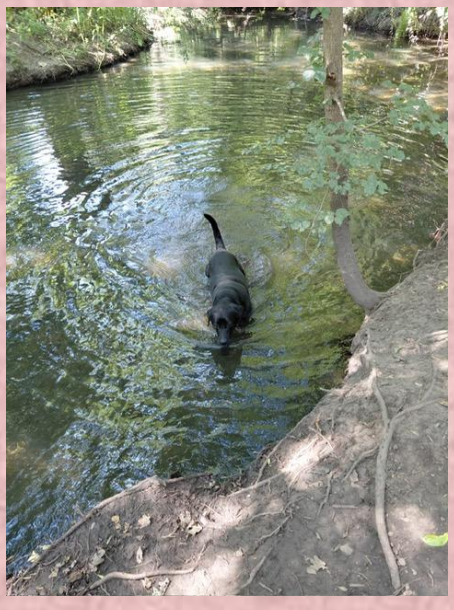

Hi Nick

Hope you dont mind a message but its a year this week since you delivered Milo to us! Thought id show you a picture of the incredible pup he is.

Abbie

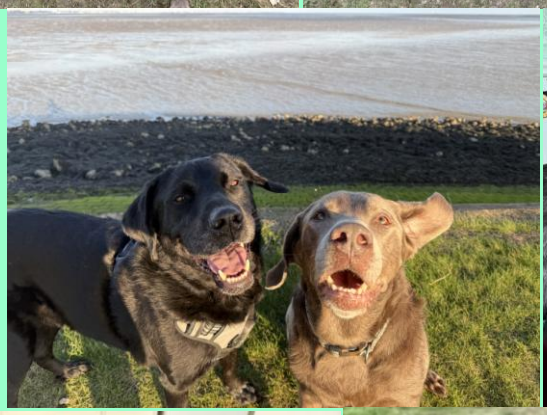

Arthur

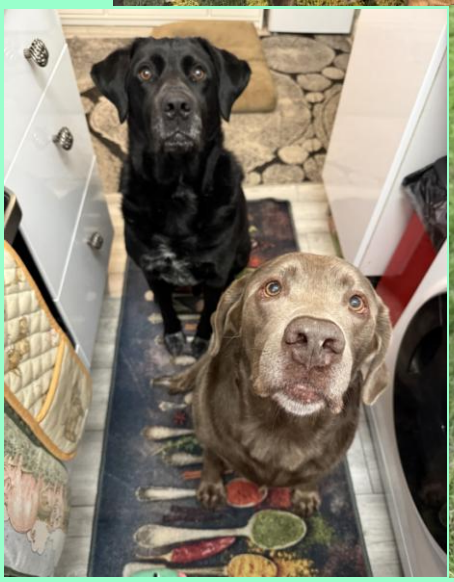

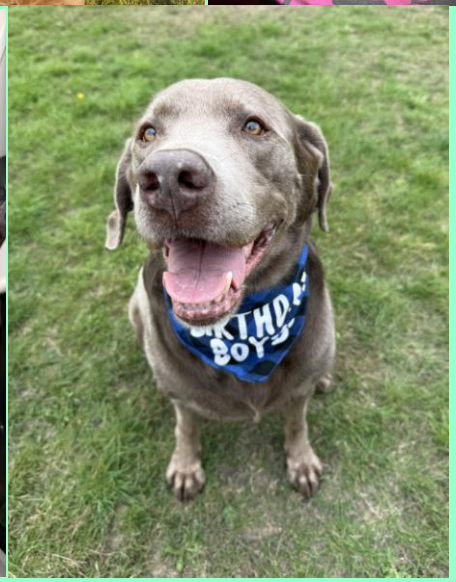

He was cooling himself in the Thames. We walk him very early and then quite late as the middle of the day is too much for him. Regards, Robert

Bear & Loki

Dear Sue,
We wanted to give you an update on Bear (previously Ghost, who we rescued from you in 2022) and Loki (previously Bracken, who we rescued from you in 2024).
We're so happy to say that they have become the best of friends. We could not have asked for a better pairing, they absolutely adore each other and are always by each other's sides. They play together every day, love going on walks side by side and enjoy holidays together. It has been amazing watching their bond grow.
They have brought us so much happiness, laughter and love. Seeing them so happy together has been incredibly rewarding and we feel so lucky to have them both as part of our family.
Thank you for everything you did to care for them before they came to us. We wanted you to know they are both deeply loved and truly spoilt, and they've found not only their forever home, but also a lifelong best friend in each other.
Thank you again for the incredible work you do.
Kind regards,
Bear, Loki, Leanne, Lynn & Trevor

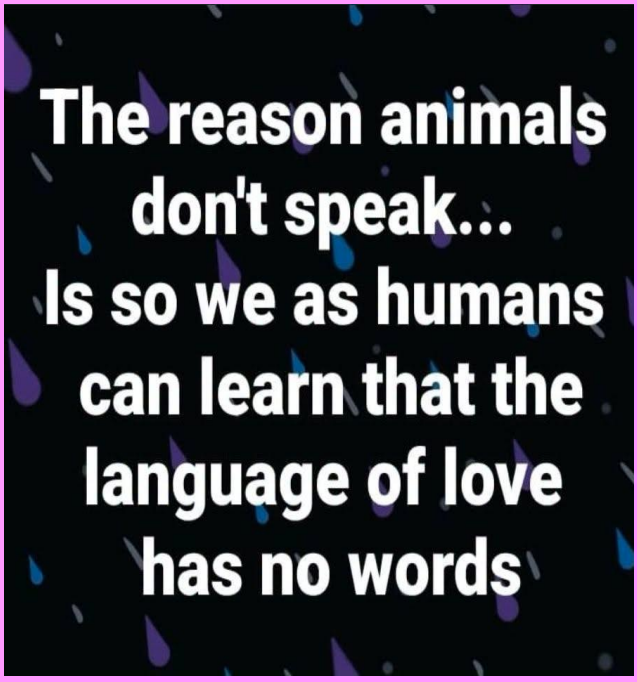

Jess

Early morning walkies!

Hi Sue,
I see you're still working hard for the Labradors :-)
Jess is still with us at 14.5 now, after 7 years in the Surrey Hills. She knows them all :)
Her terrible terrier X part has served her well from a physical perspective. Very little rear end wasting away and zero hip issues, so she's still really mobile and trotting happily.
She's always been a challenge though. As soon as we think she's the perfect pet, she develops a new issue / fear. We've always managed to re-train as and when.
We're also sure she'd had at least 2 long term homes before ours.
One loving and one the opposite.
Anyway, we had AC fitted this spring to help with hight temps and what a good job we did. She's currently very cool on the sofa :)
We both continue to follow you on Facebook and subscribe to a Labrador newsletter to see which lovely dogs are getting new homes.
Kind regards
Rob & Iva

Harvey

Hello Auntie Sue and Louise, Harvey here, I want to thank you for finding me a new home. I'd love it if you could let my family know not to worry, I'm happy and enjoying lots of nice food and walks and also I have 2 new brothers and a sister who have all made me feel welcome although they are unusual. Big brother Blue is a 10 year old blind Husky, Hammy is a 4 year old JRT X with heart problems and Ivy my sister is a 4 year old 3 legged Staffie cross and she is so funny. I found the treat cupboard and I've sussed out new dad and how to get treats, I give him the sad look and a paw and I get what I want lol, he says he doesn't need a rubbish bin as I eat everything lol. Well time to snooze now and I'll update you soon on my adventures. Love Harvey ❤️😍

We very urgently need Foster homes.

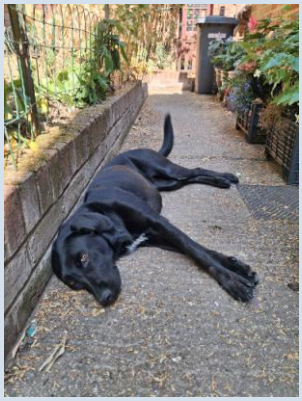

With so many dogs needing our help we are finding it very difficult without the help of foster homes that can provide short term care while we establish a forever home.

We are a small charity and do not own our own kennels and private kennels are very expensive and not suitable for many of the dogs we are trying to help. So, it is vital we have foster homes available to cover the emergency situations that can arise when people have to part with their dogs due to housing problems, marriage breakups, owners ill health etc etc. So please if you are able to help, even if just every now and again, please, please, please contact us.

Teal

Good afternoon Sue & all at LRRSE,

We're lucky to live amongst woodland & a network of footpaths that can be accessed without any roadwork so able to take our dogs out during the cooler parts of the day and shady parts in the garden, also cold quarry tiles & path (can't be comfortable!) for them to lay on. We have to call Teal away from lying in the sun which she seems to like to do for some reason. Both dogs are never far from us & enjoy watching us preparing beans for freezing & of course they get some too.

Best regards,

Christine, Colin, Teal & Harley.

Do you have a little time you could spare to help us?

We are always kept so busy trying to manage all the jobs within the rescue and could really do with a few more helping hands.

We need someone to co-ordinate the foster homes – just keeping in touch with current fosterers and helping to recruit more fosterers through social media.

Someone that could help with the Newsletter.

Fundraisers – help with our auctions, hold a coffee morning, do a car boot sale etc.

If you feel you help and would like to have a chat please message me sue.lrrse@gmail.com

Ralph

Hi Sue, just a quick update to say that all is going really well with Ralph. We are completely in love with him. He is eating well and loving our garden. He has two walks a day and yesterday we let him off the lead in an enclosed field and it was wonderful to see him running free and fast! He is very affectionate and he loves playing with other dogs and is very respectful of Bella now. Couldn't be better.

Give your pet damp towels to lie on or an ice pack wrapped in a towel. Never place a damp towel over your dog as this can trap in heat

Put ice cubes into your dog's water bowl or make some tasty ice cube treats. You could also freeze a Kong toy full of treats and water!

Groom your dog regularly. Regular grooming in warmer weather can help brush away any dead or excess hair, and matts and knots, leaving your dog with a less dense coat.

Please don't forget to <u>carefully</u> return our tag once you have your own made. Our stock frequently runs low and they are quite expensive for us to replace.
