June's Monthly Newsletter

Welcome to our June Newsletter. We are seriously short of foster homes and this has a huge impact on dogs we would like to be able to help. If you have ever thought you might be able to help and would like to talk to us about it, we would be very happy to hear from you. Please keep your lovely updates and photos coming in as we love reading and sharing them in our Newsletter. To follow us on our Facebook page please use this link www.facebook.com/LRRSE.

China Dogs

Nina and Timmy are still waiting for their forever home. They are two very affectionate dogs that we would love to see in an experienced home that have lots of love, patience and commitment to give to them. Please help them by sharing our Newsletter with your dog loving friends and relatives.

George (Formally China boy GiGi)

George enjoying his new forever home.

Bonnie

(Formally China Girl Deena)

Bonnie has been with us for two years on the 15th of June. She became a member of the family from day 1. Bonnie is a very loyal and affectionate dog with excellent recall. She attracts many compliments when out on her walks with our chocolate Labrador who looks like a small dog in comparison to our gentle giant. During the recent hot weather, they both enjoyed very early walks in the woods and much splashing in the stream that runs through them. Bonnie is loved by all the family and our friends. We thank you for matching her with us. Ann and Clive.

Do you have a little time you could spare to help us?

We are always kept so busy trying to manage all the jobs within the rescue and could really do with a few more helping hands.

We need someone to co-ordinate the foster homes – just keeping in touch with current fosterers and helping to recruit more fosterers through social media.

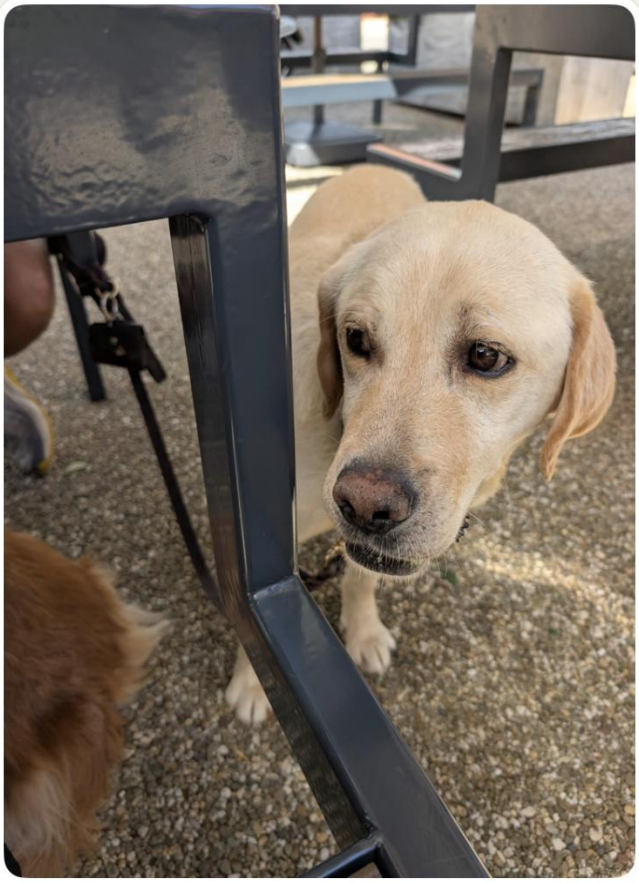

Someone that could help with the Newsletter.

Fundraisers – help with our auctions, hold a coffee morning, do a car boot sale etc.

If you feel you help and would like to have a chat please message me sue.lrrse@gmail.com

Louis

(Formally China Boy Hughie)

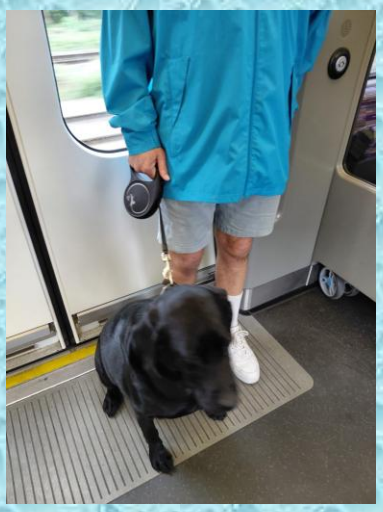

3 weeks with Louis! He's doing really well and has learned to go on drives, go out to lunch while the humans eat and get lots and lots of cuddles! 💝

Arthur

Arthur's first train journey. He behaved so well and attracted many admirers as he sat then laid down on the train.

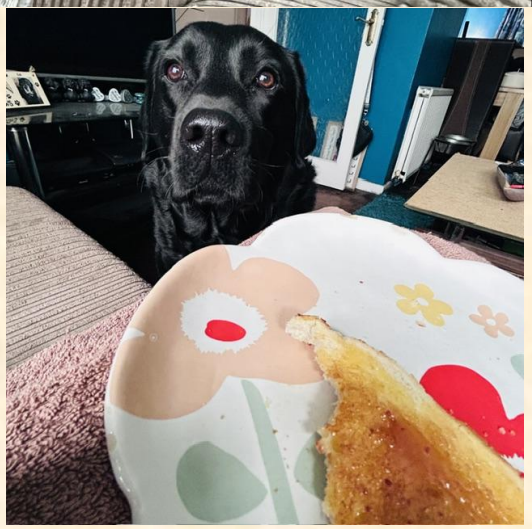

Please don't forget to carefully return our tag once you have your own made. Our stock frequently runs low and they are quite expensive for us to replace.

Eros

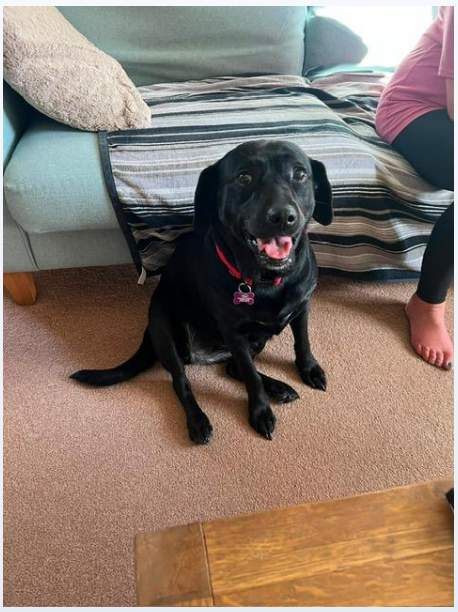

Hi Sue, Just passed the two year anniversary with Eros (2 June). He's definitely the most different Labrador I've owned although they all have their own personalities. He's very stubborn, loves any human that he sees but still unsure of other dogs (apart from the two he lives with). Pictures below of him in his cool coat in a very hot day recently as well as a few more: Karen

Ivy

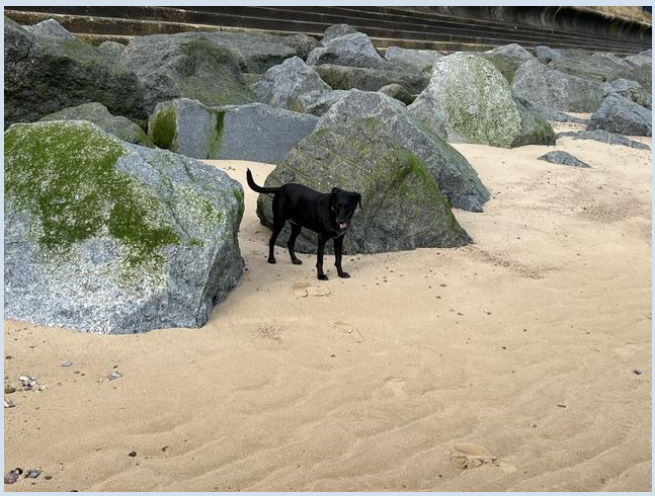

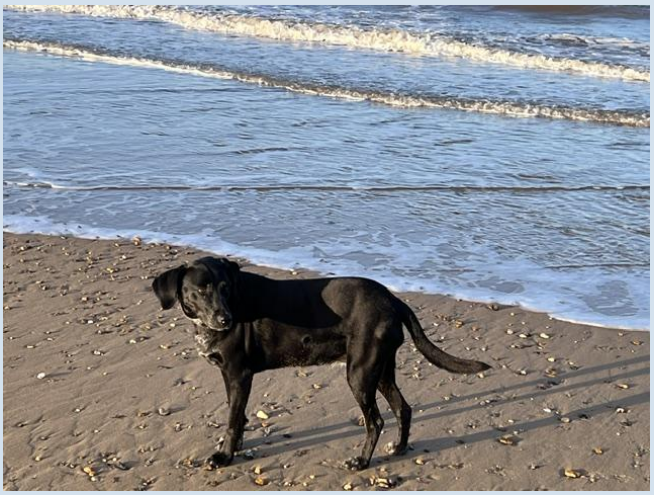

Hello Sue
Ivy is settling in very well. It's only been a few days but she is bonding well with both of us. She loves to find a sunny spot to settle and snooze. We have taken her on some of our favourite walks which she has thoroughly enjoyed. Took the last photo yesterday, she loved the beach. We are delighted with her progress so far and are both rapidly falling in love with her.
Best wishes Mike and Julie

Freda

Hi Louise,
Must be getting on for 4 years now since Freda came to us. She's doing great, enjoying my retirement. Long walks twice a day which she copes with really well. A few signs of arthritis but it doesn't seem to hold her back. Still chasing squirrels but never gets near to catching one .
Best wishes
Stuart

Milo

Dear Sue

We are getting there! The training is going well as he is very bright and has discovered his interest in food. We are in a good routine and two things have helped in particular. Having read the previous owner's notes, we re-introduced a crate at night and for when we are out. He got straight in and finds it reassuring. We also give him two country walks a day, totaling 2 1/2 - 3 hours a day on an extending lead. I am feeling very fit and healthy too.

As promised some photos of Mylo.

Kind regards

Abigail

Urgent Plea

We very urgently need Foster homes.

With so many dogs needing our help we are finding it very difficult without the help of foster homes that can provide short term care while we establish a forever home.

We are a small charity and do not own our own kennels and private kennels are very expensive and not suitable for many of the dogs we are trying to help. So, it is vital we have foster homes available to cover the emergency situations that can arise when people have to part with their dogs due to housing problems, marriage breakups, owners ill health etc etc. So please if you are able to help, even if just every now and again, please, please, please contact us.

Apologies to anyone that had sent in an update and has not been included in this Newsletter but my computer was damaged by a lightening hit and some of the information that was stored has been lost. If I did miss including you then please resend it to sue.lrrse@gmail.com

Rocky

Hi Sue, Rocky is settling in really well. He is such a lovely dog! Emma

Max

Good morning Sue, How are you? Just popping you a quick update. Max is a beautiful boy. We drove home and he travelled so well in the car. We had a little pause so the dogs could have a leg-stretch and we had cake. He was good as gold. He has been good as gold overnight, with him and Smudge just sniffing and play-bowing lots in the garden. We had a walk this morning and they did so well together too. Thank you so much for everything.

Take care.Helen, Andy and Daniel
