September Monthly Newsletter

Welcome to our September Newsletter. We are still struggling to recruit foster homes to help with some of the emergencies that occur. For instance with owners that sadly suddenly die and their dog/dogs need immediate help and with dogs that are unclaimed strays in local dog pounds and will be put to sleep if not signed over to a rescue. So please let us know is you can help and keep spreading the word to help us save these beautiful dogs. We have a auction coming up in the next couple of weeks with lots of brilliant Christmas items, so please follow us on our Facebook page please use this link www.facebook.com/LRRSE.

Gracie - Happy 16th Birthday

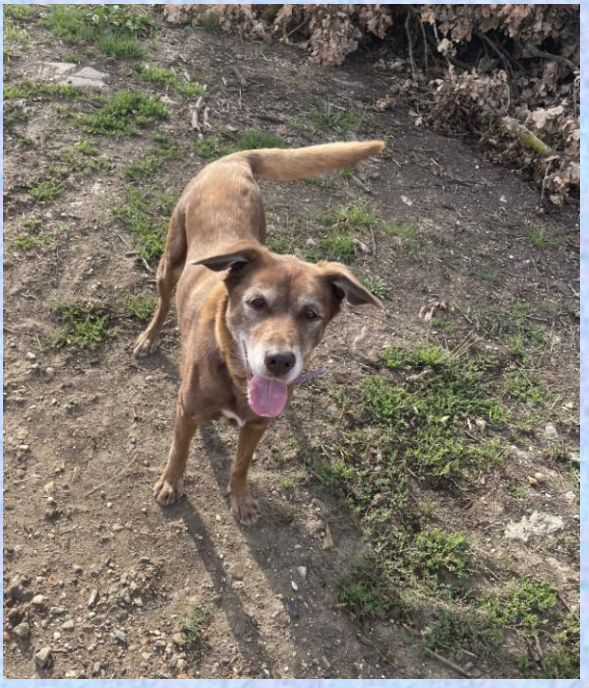

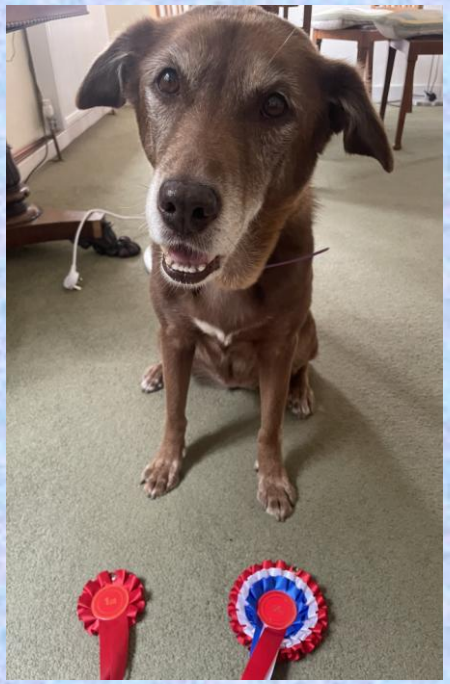

Gracie, who has featured in our Newsletter often over the years turned 16 today and is still looking good and enjoying life with her mummy, Jackie, who absolutely adores her and adopted her from us 10 years ago. Love and hugs from us all at LRRSE.

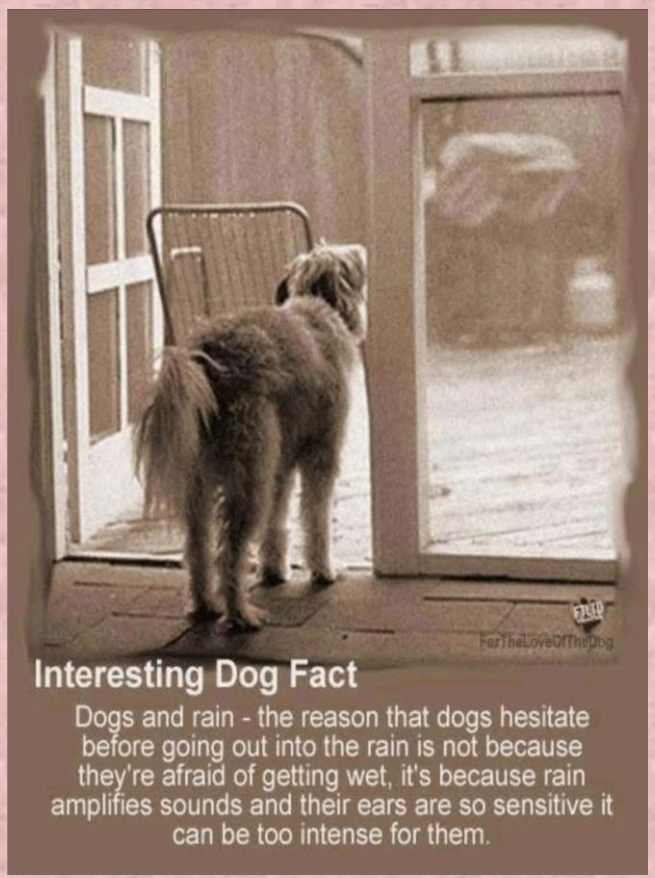

Luna

Hi Louise
I hope you and the dogs have survived this long, hot summer. Luna just took it all in her stride and accepted quite happily that some days it was simply too hot to go for a second walk.
I thought you would like see Luna with her rosettes that she won yesterday at a small local dog show. She won Best Golden Oldie and then to my amazement she won Best in Show. But then, who could resist those bright eyes and happy smile - certainly not the judge. Hardly Crufts, but not bad for a rescue stray. Luna had a lovely time talking to all the other dogs and humans. Truly, such a star!
All the best Pam

Harvey

From Harvey. Hello Auntie Sue and Louise and everyone at LRRSE. I've been with my new family a month now and I've settled in really well with my new brothers and sister although Blue has told me off a couple of times for trying to help him finish his food, apparently I'm not supposed to do that. I've discovered the beach and the sea and have lovely walks with an occasional paddle especially with Ivy my new sister, she's ever so funny but I'm still not sure about playing with them but I do like playing with hoodad, he teases me and I try to pull him off the sofa by his hand, I may be older but I still love playing and greeting everyone with my monkey or my new chicken toy it's amazing how many treats I can get by doing this 😆. Every Sunday we each get a big juicy marrowbone to chomp on before we have Sunday lunch and that is my favorite meal because we get Yorkshire puddings and lots of veg with meat and gravy. Well it's time for my mid morning nap to recharge my batteries. I miss my old family but I want to thank everyone involved for finding me a lovely home to rest my head. Love Harvey ❤️😍

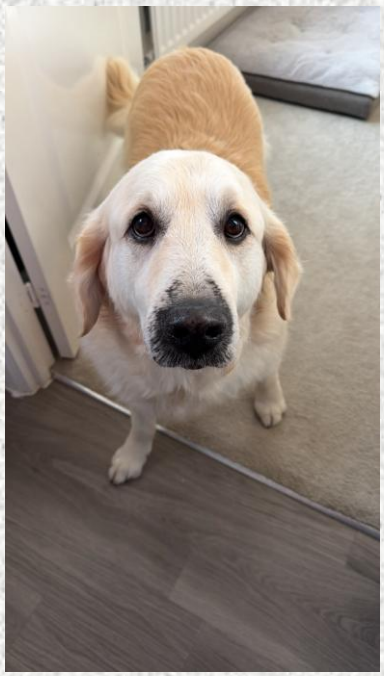

Please don't forget to <u>carefully</u> return our tag once you have your own made. Our stock frequently runs low and they are quite expensive for us to replace.

Ralph

Ralph has settled into his new home with his best friend Bella and enjoying lots of good walks, cuddles and love from his new owners Jillian and John.

Do you have a little time you could spare to help us?

We are always kept so busy trying to manage all the jobs within the rescue and could really do with a few more helping hands.

We need someone to co-ordinate the foster homes – just keeping in touch with current fosterers and helping to recruit more fosterers through social media.

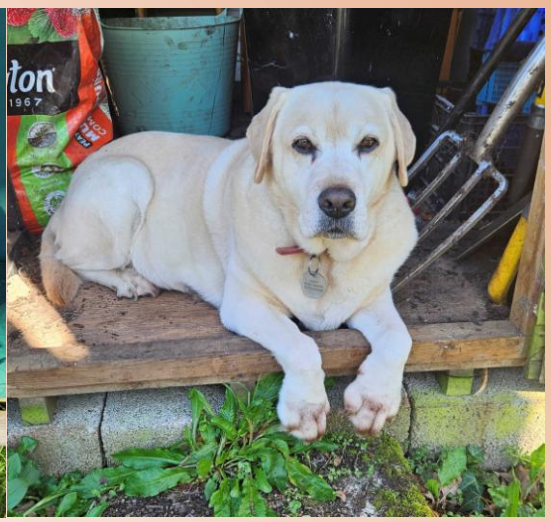

Someone that could help with the Newsletter.

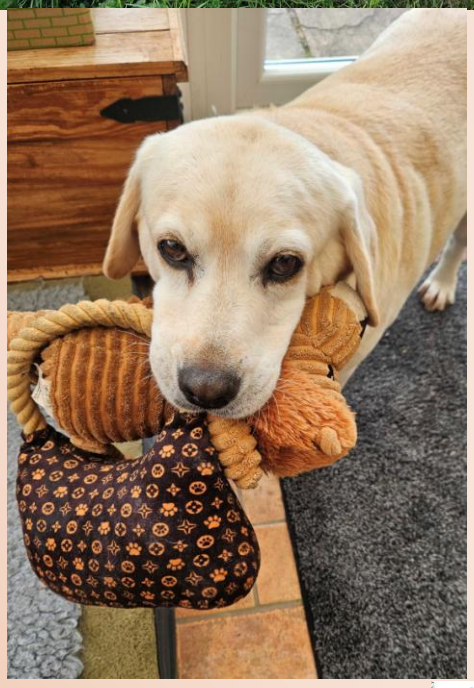

Fundraisers – help with our auctions, hold a coffee morning, do a car boot sale etc.

If you feel you help and would like to have a chat please message me sue.lrrse@gmail.com

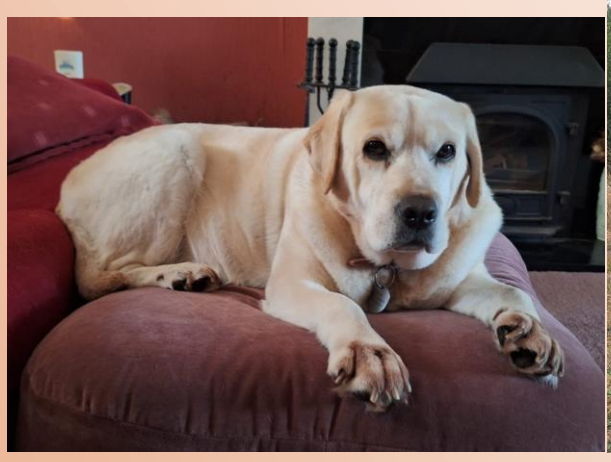

Daisy

Dear Louise and Sue,
Following on from your newsletter request for updates we thought we would update you on Daisy, who we rehomed 2.5 years ago. As you can see from the photos Daisy has made herself well at home. Daisy recently enjoyed her holiday to Yorkshire. She enjoyed some (very) long walks.
Best wishes Sue & Tim

Handmade by Katya

Earrings made by a 12 year old. Every penny goes to dogs like Louis.

Katya is 12, and she makes beaded earrings by hand at her kitchen table. Hoops wrapped in tiny glass beads, long fringes that catch the light, little printed drops. She has made over 150 pairs, and she has never made the same pair twice.

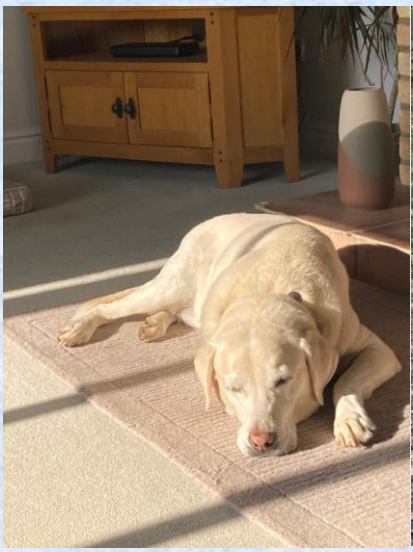

She started selling them for one reason. Her family adopted Louis through LRRSE, and she wanted to do something for the dogs still waiting. Every pair she sells sends its profit back to rescue.

Prices start at £5. Each pair is one of a kind, so when it is gone, it is gone.

Fashion jewellery, handmade at home. Not suitable for children under 6.

Max

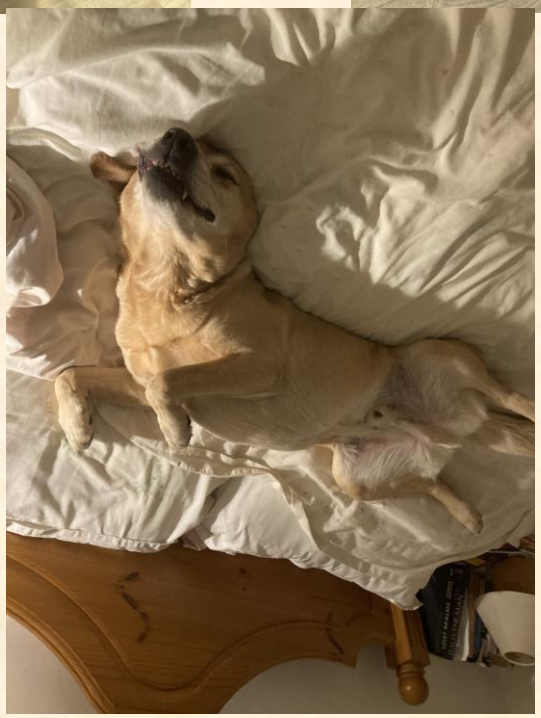

Hello Louise
Today is Max's 12th birthday so a good time for an update.
Of course he's showing signs of getting older but overall is doing pretty well for his age. He's been on YuMove for a few years as a preventative measure and has recently started on Galliprant which seems to be helping him with no obvious side effects. He's now got a ramp for getting in and out of the car so as to avoid the strain of jumping. Fortunately he got the hang of it very quickly, which means he can still go to his beloved woods. He's such a well behaved and happy boy and we're so pleased to have been matched with him. Thank you to you and your colleagues for the good work you do.

Charlie

Hello all!
Charlie here. I have been with my new Mum for over eight years now! And what a happy boy I am! We have eight grandchildren who I love helping to look after - I'm especially good at sitting under high chairs and keeping floors and toddlers sparkling clean! I'm not quite so keen on being dressed up as a fairy, but sometimes you just have to do these things. Mum has had some nasty illnesses, but I'm very good at looking after her, and I was an excellent companion through those Covid times. I especially like warming up her bed in the evening - well, she can always sleep on the floor if she prefers. We go on lots of lovely long walks together, and I help to keep her fit and happy. I love swimming in the sea and rivers, and splashing in muddy puddles, but I put my foot down at baths! No thank you very much!
Thank you so much for finding Mum for me. She says she doesn't know what she would have done without me.
Love and licks to everyone.
Charlie

Including us in your Will is an incredible way of remembering the dogs that have given you so much love and pleasure during your life and continuing to help many other dogs in the future.

We will also care for your dog/s should the need ever arise and writing your wishes into your Will, will ensure that your pet/s continue to be loved and cherished for the rest of their lives.
